WHOLESALE CATALOG

SPRING 2024

OUR STORY

Our brand promise is the foundation of what we are built on. It may grow and improve, but the strong bones remain the same.

- quality children's clothing
- modern & simple designs
- created with love in North Yarmouth, Maine
- devoted to all of the little Mainers out there

Little Mainer started off as a home goods company called Diva Designs of Maine in the fall of 2020. My passion for making tea towels, wine glasses and tee shirts waned as I noticed how over-saturated the market was with that type of fare. A change needed to happen! The lack of high-quality baby and toddler clothing in gift shops across Maine was highly noticeable. From the company's early roots, I kept my love of design and creating. My goal was to create simple and modern baby and toddler wear that could take the place of tacky touristy gifts. My sole proprietorship turned into an LLC and Little Mainer was born in the fall of 2021. Goodbye wine glasses, hello baby clothes!
